Subject: Restart of '3030 Eklavya Series': A CBSE and IIT Gandhinagar Initiative.

Dear Principals,

The 21st century and its many challenges require drastic reforms in our education system to prepare students into capable future citizens. We need to nurture creativity in our students, inspire critical thinking through experiential learning and make our curriculum inspiring for both teachers and students.

After the success of the first 5 episodes of **3030 Eklavya** online series, CBSE and Center for Creative Learning IIT Gandhinagar are coming together once again to restart **3030 Eklavya** on the eve of this Independence Day on 14th August 2022 (Sunday). The sixth episode will be **The Lost Bronze and the Science of Sound**. Please watch the 2-minute trailer of first episode here:

Other episodes will be on Electromagnetism, Arithmetic, Algebra and Biodiversity. The previous 5 episodes of 3030 Eklavya are available on the program website and CCL's youtube channel.

The goal of the program is to nurture in our students the skills of **Creativity, Out-of-box thinking, and Conceptual Understanding**. The program will contain **numerous hands-on STEM activities, interesting Questions and Assignments**. The focus audience of the program are Science and Maths teachers and students of classes 6-12. **All Principals are therefore strongly advised to avail this opportunity** to fulfil the requisite number of **Continuous Teacher Professional Development** hours for their teachers by enrolling for this course for the CPD Certificate as well as ensure participation of their students.
