

## **Curriculum Based Comic Books**

Ministry of Education has launched curriculum based comic books aligned to chapters of NCERT text books across grades 3-12, as innovative pedagogical resources for joyful learning. It is an endeavor to provide holistic learning to students and to usher in the vision envisaged in the New Education Policy 2020.

The e-library of our school has been enriched by the addition of these comic books that will help in increasing the cultural and social sensitivity in our children while imparting knowledge. These comics can also be accessed online on DIKSHA web portal ([diksha.gov.in](https://diksha.gov.in)) or via the DIKSHA app on any android smartphone.

We request the parents to motivate their wards to read and benefit from the wonderful books regularly.
