7. You are requested to note that some of the private vehicles arranged by you, do not bring your wards to school on time and they do not come on time to pick up your children from school at the time of dispersal. As a result your ward reaches the school late and at the time of dispersal they wander on the road side creating confusion and indiscipline. We request you to take necessary action to ensure the safety of your children and to see that they come to school and go back on time.
8. As you must be aware that minors driving vehicle is a major safety hazard and such road accidents are life endangering and may turn out to be fatal.
