

**PARENTAL CIRCULAR – CLASSES VI TO VIII****Dear Parent,**

The academic year is drawing to a close and the children are about to reach another milestone in their lives. At this crucial stage of a child's life, both parents and teachers play a vital role in giving the children the essential support and guidance to help them develop into a multi-faceted personality.

Overcoming all odds posed by the COVID-19 pandemic, the school curriculum in 2020-2021 provided innumerable opportunities for the students to display their creative talent in academics as well as in co-curricular activities. Literary and craft activities, various inter house competitions, Olympiads, celebration of special weeks and various festivals, all gave the students a platform to learn, express and enjoy through online interactive mode and helped the students discover new arenas and achieve greater heights..

During the exam time the parents should put everything else on hold for a short while to be a pillar of strength behind their children. Though, it's round the year planning that helps yet the last-minute-time-management is also vital. Nothing is impossible and no time period is short. So, let's keep our own and the children's spirits high and build up an atmosphere of hard work and success all around.

As the torch bearers for the children, it becomes imperative for you, as parents, to keenly observe your ward during the examination and ensure that he/she follows all rules and regulations along with keeping their camera ON and mike OFF, with complete honesty and integrity.
