Sub: Empowering Students through Skill India Digital Hub (SIDH)

Skill India Digital Hub (SIDH), an initiative of Ministry of Skill Development & Entrepreneurship, Govt. of India is a learning platform designed to develop essential skills and preparing students for future employment opportunities. Skill India Digital Hub is specially designed and developed to skill, reskill and upskill the individuals through an online training platform, API based trusted skills credentials, payment and discovery layers for jobs and entrepreneurial opportunities. As skilling is a critical factor in today's education and job market, all schools are encouraged to spread awareness among students about Skill India Digital Hub (SIDH) to gain the benefits of this initiative.

Through this platform, students can explore various skill courses, training modules, and resources that will enhance their academic and professional growth.

Key Highlights of the Initiative:

1. Structured Learning: Students can register according to their skill levels and areas of interest.
2. Career Advancement: Courses are designed to provide relevant digital skills for better job opportunities.
3. Enhanced Capabilities: Training modules aim to improve problem-solving and critical thinking.
4. Up-to-date Knowledge: Stay informed about the latest digital technologies and industry trends.
5. Increased Productivity: Develop skills to boost efficiency in various domains.
6. Job Opportunities: The applicant can search suitable job opportunities on the platform through the link 'Job Exchange' and can apply online for the same.

All Heads of Schools (HoS) are requested to motivate the students to register on the platform and to ensure maximum participation.
