

**SACHDEVA PUBLIC SCHOOL, PITAM PURA, DELHI**

No.:- SPS/Admn.1/15/2026

Dated:- 27<sup>th</sup> April, 2026

**PARENTAL CIRCULAR**

**Dear Parent,**

In continuation of the advisory issued by the Directorate of Education vide Circular No. DE.23 (386)/Sch. Br/SHP/2026/66-73 dated 21 April 2026, the school has implemented necessary precautionary measures to safeguard students against the prevailing hot weather conditions.

The following steps have been undertaken in the interest of students' health and well-being:

- As always, adequate availability of safe and clean drinking water has been ensured across the campus.
- Students are being regularly encouraged to stay well hydrated. During change of period, the concerned subject teachers remind the students to drink water.
- Outdoor activities, including sports and assemblies, during peak heat hours are suspended.
- Awareness has been created among students regarding heat-related precautions such as wearing light cotton clothes at home, using caps/umbrellas where necessary and recognizing signs of heat stress.
- Staff members have been sensitized to promptly respond to any health concerns related to heat exposure.

Parents are requested to support these efforts by ensuring that their ward:

- Comes to school with a water bottle which can be refilled in school.
- Is properly hydrated and had a healthy breakfast before leaving for school.
- Wears the prescribed summer uniform.
- Wears a cap while coming to school and going back home.

The school remains committed to the safety and well-being of all students and seeks your cooperation in reinforcing these precautions.

With warm regards,

Yours sincerely,

**( MONA RASTOGI )**
